## Professional Summary

Things we value: I am a proactive collaborator dedicated to enhancing customer experiences through efficient solutions. With a strong background in B2B sales, I excel in identifying client needs and delivering tailored solutions. My experience in SaaS and the US trucking industry equips me to drive meaningful results. I thrive in fast-paced environments, consistently achieving and exceeding quotas. Being a Sikh, I am native to Punjabi, allowing me to communicate effectively with diverse clients. I believe in the power of teamwork and transparent communication to foster innovation. My initiative and solutions-oriented mindset enable me to adapt and iterate for continuous improvement. I am committed to creating a positive impact in every interaction.
