Professional Summary

Results-driven RME Technician with expertise in maintaining and optimizing machinery in high-demand environments. Proven track record in executing proactive and reactive maintenance strategies to enhance equipment reliability and safety. Skilled in fault diagnosis, equipment repair, and implementing continuous improvement initiatives to minimize downtime. Committed to upholding health and safety standards while fostering a collaborative environment for team development.

Core Skills

- Maintenance & Repair: Proactive Maintenance, Fault Diagnosis, Equipment Optimization
 - Safety & Compliance: Health and Safety Policies, Risk Assessment, Safety Training
 - Technical Proficiency: Mechanical & Electrical Systems, Automation, Condition Monitoring
 - Continuous Improvement: Process Optimization, Best Practices Implementation, Project Management
 - Team Collaboration: Mentoring, Cross-Functional Communication, Apprenticeship Support
-

Experience

Kiran Engineering Works ? RME Technician

Sep 2017 ? Present · Chhatrapati Sambhajinagar, India (formerly Aurangabad)

- Executed proactive maintenance on diverse machinery, boosting equipment availability by 25%.
- Conducted reactive repairs and fault diagnosis, reducing machine downtime by 40% in a live warehouse setting.
- Utilized advanced tools to enhance equipment effectiveness, achieving a 30% increase in operational efficiency.
- Ensured compliance with health and safety policies, contributing to a 50% reduction in workplace incidents.
- Mentored on-site apprentices, enhancing their skills and improving team performance by 20%.
- Led continuous improvement projects, implementing best practices that increased operational reliability across multiple sites.
- Collaborated with senior engineers to troubleshoot complex issues, improving response time to breakdowns by 35%.
- Supported maintenance activities during various shifts, ensuring uninterrupted operations and timely deliveries.

LTI ? Larsen & Toubro Infotech Ltd. ? Software Engineer

Apr 2015 ? Jul 2017 · Pune, India

- Assisted in development and maintenance of enterprise applications.
 - Worked with Python for scripting tasks and building/supporting REST APIs.
 - Contributed to testing, debugging, and deployment processes.
 - Gained strong exposure to Agile workflows and SDLC practices.
-

Education

- B.E. Computer Science Engineering ? PESCOE, Aurangabad (First Class with Distinction, 2010?2014)
